JESÚS V. IZQUIERDO

JESUS V. IZQUIERDO**ABOUT...**

Jesús V. Izquierdo, born in Madrid, Spain, built his career as an executive coach and corporate strategist during the last 16 years working with leaders of private and public organizations, including Fortune 500 companies, in Europe, Latin America, and North America.

Based in Washington, DC until 2003, he moved to Madrid in early 2004 where he currently resides. Mr. Izquierdo is co-founder of TrustQuest, Inc. and serves in the board of three other organizations. During seven years, Mr. Izquierdo served as Senior Director at the Corporate Leadership Council of the Corporate Executive Board, a strategic research firm delivering best management practices to over 2000 corporations worldwide including 75% of the Global Fortune 500. During his tenure in the Corporate Executive Board, Mr. Izquierdo held individual work sessions with more than 450 corporate leaders.

Mr. Izquierdo has spent the majority of his career advising, coaching and/or delivering corporate strategy to C-level audiences (CEO, CMO, CTO, etc.). He has worked one-on-one with more than 750 executives. He has also led leadership and strategy seminars and workshops at global corporations such as Bancomer-BBVA, Brasil Telecom, Cemex, Chase, Endesa, Femsa, EDP, Lycos, Pemex, Petrobras, Sonae, Telefonica, Telmex, and Vodafone.

Mr. Izquierdo graduated from The George Washington University (Washington, DC) with a dual degree in international affairs and economics, and holds a Master's Degree of International Affairs from Georgetown University (Washington, DC). He also completed a Senior Management Program at the Instituto de Empresa (Madrid). Mr. Izquierdo has been trained in ontological coaching by Newfield and he is member of the International Coaching Federation.

COACHING STRENGTHS...

- Executive coaching for Senior Management and C level executives for leading organizations including Fortune 500 companies
- Delivery of best management practices for corporate strategy and leadership development
- Global and growth challenges
